**DAAS ADMINISTRATIVE LETTER 06-09**

To: Area Agencies on Aging  
Subject: Coding change for ARMS 2007  
Date: July 25, 2006

**Effective July 1, 2006**

The ARMS will no longer accept the multi-county code "OMC". Any contract previously budgeted with county code "OMC" will need to be established either:

- 1) by the county code of the county the service will be provided; or
- 2) by the county code where the provider agency is located.

In addition, the service codes for the Family Caregiver Support Program are modified as follows:

<b>Family Caregiver Support Service Category</b>	<b>Current Service Code</b>	<b>New Service Code 08/01/06</b>
Category I	800	810
Category II	810	820
Category III	820	830
Category IV	830	840
Category V	840	850

These codes will continue be utilized for non-unit budgets and expenditures related to the Family Caregiver Support Program. If you have any questions regarding these changes, please contact Linda Owens at 919-733-8390.

Sincerely,

A handwritten signature in black ink that reads "Dennis W. Streets".

Dennis W. Streets, Director
